Heather, I can't begin to imagine your pain at this time, but I'm so happy to know that Chris had such an awesome wife to share his life with. I was so thankful to reconnect over the past two years with Chris via Facebook. He always had a comment for everything and his sense of humor always kept things light and funny. I feel blessed to call him my family. May you find comfort in the love you two shared and always know that his family will always be here for you.
