Dear Woodard Family, I have fond memories of Mrs. Woodard, which are mostly from after dance practice when she would be picking up Margaret, and I, K.C. She would always ask me how I was, and then inform me of the latest news in the diabetes field. I enjoyed the tid bits of information she gave me, but mostly, I was glad she cared. She was an extremely caring woman, and she will be greatly missed. You all are in my thoughts and prayers. My deepest condolences, Becky Wassman##imported-begin##Becky Wassman##imported-end##
