When I heard the news, the first thing that came to mind was when I helped your Mom and Dad move from one place in Langley Circle to another. Lugging the washer and dryer up from the basement was a good source of entertainment for everyone. If memory serves me, Dave and Bob were hobbled with injury. It was a day of work, but it was fun and I was happy to help out.Our thoughts and Prayers are with the Scharnweber Family.Roger, Sara and Owen Schaaf###imported-begin##Roger Schaaf###imported-end##

Uncle Bill & Aunt Marilyn, I'm so sorry for your loss. There is a saying that I heard recently that helps me in times of sadness or confusion, "Never put a question mark where God put a period." (Kyle Petty). I'm sorry that we didn't get to see each other when we were in town, but I understand why. You and your family are in our thoughts and prayers.Love Bonnie & Steve###imported-begin##Bonnie & Steve Gross###imported-end##
