I remember "Mom", as the best Mother-In-Law anyone could ever have. Mom was very special to me. I remember our long talks on her porch swing. Mom was involved in many activities, but she always had time for her grandchildren, or to just visit. I tried to make bread, just like Mom's, but it never seemed to raise up as nice as her's did. Mom also was an expert quilt maker, and seamstress. It seemed like she was always working on a quilt, or a blanket for someone in the family. I sew, as well, from time to time, but I could never sew a quilt as well as Mom could. She was the best! I remember she won a prize for one of her quilts. I will always have fond memories of Mom, and I will never forget her kindness and love. She will be dearly missed by all of us.##imported-begin##Virginia Detroyer##imported-end##

I remember Grandma always had home made bread and jam when ever we came to visit. The best bread ever made! Especially her raisin bread with so many raisins poked into the dough. She came to Rick & Barb's house years ago to show us how to make her special bread and Rick video taped her special talents. I've tried a couple of times to make Grandma's recipe but it never comes out quite like hers. No person quite like my Grandma. We'll all miss you.##imported-begin##Rose Ann Mrosewske##imported-end##
