To all of the extended Groff family, my heart felt sympathy for the loss of your Father, Grandfather, and Great Grandfather. Burt was certainly family to me as well and I will miss not seeing him at all of the future family events. He was so kind and thoughtful, full of good humor, and an inspiration. Even though I cannot be with you for the service, my thoughts and prayers are.##imported-begin##Christine Neill##imported-end##

My condolences go out to all of Grandpa Groff's family members. He truly amazed so many people with how long he lived, and how active he was until a very late age. He definately lived a very long and fulfilling life. I'm sure all of his family members are very proud of him. Many great memories to comfort you.##imported-begin##Cheryl Pitzer##imported-end##
