My heartfelt sympathy. Crystal was way to young to leave this world. Its tragic and seems so unfair. May she be at peace with Dad in heaven shining that bright smile that all remember her by. Prayers. -Lynn

My thoughts and prayers go out to everyone that has ever met Crystal. She was a beautiful soul and never worried about herself more than anyone else. When I look back at how many great memories I have with her, Larry, and many other people, I cant help but smile. She was a very selfless, beautiful person and will be missed dearly by anyone who has ever met her. She made sure she left an impact on people lives when she met them and always had everyone smiling. Her smile was contagious and no matter what you were doing, if you were with Crystal it was an amazingly fun time. RIP Crystal. I hope you are somewhere on a warm beach with your toes in the sand watching over your family and boys.

I met this sweet , blond beauty at the hamlin pub shelby , we were waitresses there. Crystal and I became the best of friends and had so much fun together being crazy and laughing about anything we could , and always getting into trouble . Crystal had the biggest heart out of anyone I have ever met . If she loved you , you were the luckiest person in the world because she always let you know it in so many ways . She would always call me with that sassy little voice and say "hey what are you doing?" Then she would tell me how much she loved me , and how she was doing . Even if I was feeling down she always made me laugh . She was always buying me presents or flowers , because she loved doing nice things for people and taking care of them. If you knew Crystal , she always had a story about her beautiful cat Minxie and that was her baby , she loved animals . I loved the way Crystal could get me to do things I would never thought I would because they were really embarrassing . One of her favorite things to do at work was put money in the the hamlin pub juke box and play the pussycat dolls song "I'm bossy" and then tell me to "start dancing"! She was so fun !! We are the lucky ones to have had a friend like her . I am never going to forget this wonderful person that came into my life and made it so much better!! She had the best laugh out of anyone I have ever known and i will miss laughing with her and everything else wonderful about her . We were the luckiest people to have had her in our lives and now we will have to go on without this beautiful person . I know Crystal loved me and I loved her so much !! Crystal will have a special spot in my heart forever and will be deeply missed by me and my family . We love you Crystal !! My heart is so heavy for her whole family, future husband and all of her friends. Crystal and I weren't ever super close but did have classes together through high school and at SC4, I can remember going to Tim Horton's between class with her and Jessica Klemmer and laughing the whole time, because she was a good time! Just as everyone else has said energetic, contagious laugh, beautiful! Had a confidence about her that I always admired, the way she was so carefree, never thought twice about what anyone thought of her, it would of been nice to see her again in this life! May she rest in peace, her memory and laugh will not be forgotten xoxo
