To the family of Lee...please accept my sincere sympathies. He was my "buddy" cousin. Always called me Kid; and we had this ongoing dialog about who was older Lee or me. (Actually, I'm one month older!) Sam and I would be there if we could, but distance and Sam's uncle's funeral is the same time, and we must be in Virginia.I will always remember long talks Lee and I shared; and will miss that a lot.Sue & Sam###imported-begin##Sue (Endelmann) Lethcoe###imported-end##
