Tony & Judy & family- Lucy was a great spirit to be around for the past 30 plus years! She was such a joy at all the family gatherings and she loved to dance! If we all learn to dance & smile & love life perhaps we can live nearly a century like Lucy! Her legacy lives on through all her children, grandchildren & great grandkids! She is our new guardian angel and heaven has a fantastic lady (great cook) watching upon all those she loved & cared for! God Bless the Pellerito family.

So sad to hear of Lucy's death. What a lovely, kind woman she was! Every time I think of growing up in my old neighborhood, I think of Lucy, Johnny and the family. Johnny's parents lived across the street from us on Chalmers, and Mrs. Pellerito the elder taught my sister how to make her pasta sauce. So good!! hate knowing Lucy is gone. She was unfailingly sweet to me, every time I saw her. My condolences to Vita, Tommy, and all the other "kids."Love,Kathy Moran Linn

Mom, it was an honor to care for you in our home for the last almost 2 years. I am just sorry you did not make it back home from MediLodge. Harley has been lost, looking for you. On the day you passed away Happy and family appeared in our yard. I think it was a sign that your trip to heaven was swift. Say hi to Dad from us! We will miss you! Love you, Jo
