I loved Aunt Florence. She was always very kind to me. When I was a little girl, I remember always trying to count how many times she blinked in a minute. ;o)##imported-begin##Jody Bublitz##imported-end##

In my mind I recall seeing a peppy, cute young girl that my brother brought to our home to meet the family. Since she found out that I liked baby dolls she bought one for me. How I loved that! We had many good times together when we all rented cabins up north in the summertime. Lots of good card games & laughs. She will remain fondly in my thoughts & in my prayers.##imported-begin##Barbara J. Bublitz##imported-end##
