Aunt Vera was one of these individuals who always made you feel welcome and part of the family. I enjoyed visiting her at the farm and "hanging out" with the Welsers.I do remember when my oldest daughter was born at St. Clair hospital-- Aunt Vera would be heard everywhere(small hospital) singing Christmas carols and claiming me as one of her family... what a memory.##imported-begin##Kareen Wallen Brieger##imported-end##

Unfortunately, we cannot afford to fly out right now, although we very much want to be there. Our hearts, prayers and thoughts are there. While we are sad that grandma has passed, we are joyful that she has lived a long and wonderful life and that she has gone to be with the Lord. Martyr, I know that this is a difficult time for you and your family. I also know that you are aware that your mother is in a better place, and she will always be with you in spirit. Through all of my spiritual studies I have learned that no one ever really dies, their energy simply transforms to a different dimension which enables them to be with us always. Your mom is as close to you now as she has ever been. My prayers are with you and your family during this difficult time. There are many people who love you and are sending you loving prayers. If there is anything I can do, please let me know. Love, Kathy Cheri##imported-begin##Kathy Cheri##imported-end##
