I am so sorry for your loss. My heart aches for you and your family. I had not heard anything since the original finding of the tumor behind the eye until the email that said he had days left. Maybe I just missed it in all the emails. But it was a shock and I am so sorry that you and he have suffered. Your have such a wonderful family. I pray for your strength and healing at this time.##imported-begin##Elaine Hager##imported-end##

Dear Diana, Justine and Jacob. I send my sincere sympathies to you all on the loss of Mark. He was a light in your life. We only met briefly in Australia at the AMQC in 2005, but Mark brought such joy, fun and laughter to all the classes I attended. I'm sure your lives were very much enriched by having him in your life. He made a huge impression on me over a short period of time. He will be sadly missed in this world. All the best to you all in your future. Know that we think of you around the world.
