I just want to say that I consider myself lucky to be Aunt Ceil's nephew. She always treated me like a son, and took a genuine interest in my life. Although I am sure it was not always easy for her, she always seemed cheerful, gracious and upbeat. Aunt Ceil always seemed to be concerned with the well-being of others, and cared about how they were doing in life. I know it made me feel good about myself, and I think it sent the same message to others. It's a quality that I wish I had, and one that everyone, myself included, would do well to learn from her. The world was a better place because of her, and I'm glad she was with us for so many years. God bless her.##imported-begin##Robert Ryan##imported-end##

Our thoughts and prayers are with the family of Ceil at this difficult time. She was a gracious lady who always enjoyed conversation with fellow friends and family and we are happy to have known her. Ceil once gifted us with the "Bluebird of Happiness" and now we send back those same feelings as she begins her eternal life with GOD.
