It was such a wonderful evening at my sisters house when she introduced us to Bud and Ruth, it was the beginning of a lifelong friendship with our families. They joined our camping club and became one of "our family", a rich experience for all our children to grow up in. Our love and hugs to all your family Bud, Jim and Mary Lou and families

I have so many memories camping with him!! When Bud and Ruth renewed their wedding vows and my parents were the witness, going to New York and visiting Lake Placid after the Olympics, and so many camping adventures over the years. Your family has a special place in my heart. I am truly sorry for your loss. My thought and prayers are with you. Sally Hamilton (Kapanka)
