Alayna Ross posted:

Donald Ross was my great grandfather, I called him papa. I miss him a lot I used to go to his house and help him with his son, my grandfather, I knew him well I am still not fully healed from his death. My family did not expect him to pass on but he did because he missed his wife Margaret and he always talked about being with her again and so he passed on and God welcomed him to Heaven. May he rest in peace. Sincerely, his great grand-daughter Alayna Ross
