Kathy, Erin, Brad and your extended families, Wade and I wanted to express our sorrow to you all in losing Bob. You all have been and will continue to be in our prayers. We did not know him well, having only met him at Brad and Kristy's wedding, but his love of his family and friends, and his sense of humor was evident immediately. So in this time of sorrow to miss Bob in the physical sense, we are sure he will live long in the many memories and stories you have. God bless you especially at this time and give you comfort in the times ahead. Wade and Margi Chotvacs

Kathy and family. So sorry to hear of Bob's passing. I remember meeting Bob before you two were married. I remember he had the nicest smile and he loved to laugh. I am sure you have so many memories of the two of you laughing and smiling. God bless you and your family at this difficult time. Love your cousin Linda McDonald

My deepest sympathy to Kathy and the entire Baker family. Bob was the greatest of friends in the years we spent together working at the country club and playing on the high school golf team. And what a golfer he was! I'll never forget the trips we made to Detroit to see the Tigers in their heyday (I think we went to about 30 home games in 1967 and 68), and also many rock concerts at the Grande Ballroom. It was the best of times!

Will never forget the golf lessons when I worked at the club and golfing with B. Young and Tom Bower, we had so much fun. The golf lessons were helpful too. RIP Bob. Your job here is done.
