We couldn't have asked for a better neighbor. What a kind and gentle man he was. He always took the time to visit when we were out in our yard. He will be missed. RIP. Doug and Cindy Armstrong

I've only known Leonard Rose for a short time, but in that time, I came to know a very sweet and gentle man who showed his kindness & appreciation to those around him. I was especially impressed with his kindness and appreciation of the staff at the hospital & rehab centers where he was being treated over the last month. When asked how he was doing, he always said "I'm all right", even when it was obvious that he was in pain. He never complained about his circumstances, and he really appreciated and looked forward to Bill's daily visits. Rest in peace with your family in heaven Leonard Rose. Sue Miller

I have fond memories of coming over to the house on Townhall Rd. for holidays, playing horses shoes in the backyard and Uncle Len giving us little cups of egg nog at Christmas. He is at peace with Aunt Mary and Donna now.
