Aunt Helen Just loved to have a good time playing euchre or poker with so many friends and relatives. It made her so happy. She was always happy even if she lost. But she always won when I was around her. We go over to the Casino's and have lots of fun there. I listened every time we'd talk on the phone she'd tell you a story about her childhood spending time with her Mamma she was close to all her brothers and sisters. Her brother George would come over to visit her every week. And he lives till 98 1/2. Amazing family. 4 brothers and a sister all very close family. I would call and talk to Aunt Helen and wed talk for about an hour about the family and the good times they had. I learnt a lot from. So sad she's gone but I think she had a goal to make it to 100 years young And she made it plus 9 days to boot. She was an amazing woman. We will miss her. Love from you niece Joan. I loved her. Condolences to the rest of the family.

Helen was such a kind and thoughtful person. She was a great story teller about her history and the history of St. Clair. She was a patient and kind friend to my mother. A beautiful life filled with love, hope, family and friends. She will be missed at the weekly poker table!

She also had a lot of great kind loving friends so I want to say Thank you for being a part in her life time God Bless you all. I live in Canada and I think it is very unfair for us not to have been able to cross the boarder to see our Aunt on her 100 Birthday. Very unfair but she knows we love her. Thanks everyone for making her 100 birthday a success. Love you all . Thank you again. Love From her Niece Joan Spalding.
