Mom it's been a week since you went to be with the Lord. I am already missing the daily drives to Mc Donald's and sitting by the boardwalk watching the Frieghters pass by on the St Clair River as we consumed our junk food . Going to the Dollar Tree store will never be the without you along as my shopping companion.I will see you in Heaven.

Janet Walson lit a candle in honor of Dolores "Dee".

Auntie Dee was an extraordinarily beautiful and loving auntie. Although we were separated by thousands of miles, our regular phone calls kept us close. We had so many wonderful conversations and reminisced about the "good old days". And she always made me laugh. Every. Single. Time. How I'll miss those chats. Probably more than I even realize. Auntie always made me feel special. She was so generous with her time and love. She had a way of talking to you that was so genuine, like you were the only person in the room. I don't know how she did it. She was special to me, and to so many people. My my parents, my siblings, and so many others. She and my mom were extremely close and shared the unique experience of marrying Walson men. They shared a lot of laughs about that. Sharon, David, and Alex - I'm sending love and prayers to you, my dearest cousins, and to your children, and grandchildren. Your Mom talked about you all the time. She was so proud of you and loved you so very dearly. You were her pride and joy. You chose the perfect picture of your Mom. Her outer beauty is clearly evident, but you can also see how she radiates love, warmth and happiness. I love you all so much. You're in my heart always.
Love, Cousin Janet
