Dennis (Denny) Clinton White

OCT 27, 1945 - JAN 22, 2023

Dennis (Denny) Clinton White, 77, of Marysville, beloved husband, brother, father, grandfather, and coach, passed away on January 22. Dennis was born on October 27, 1945, in Port Huron, the oldest child of Clinton and Edna White. He grew up attending St. Christopher's School and Marysville High School. Denny played varsity football for Coach Bob Sullivan on the 1963 state championship team (as well as pole vaulting). Denny graduated in 1963 and attended first Ferris State College and then Central Michigan University, encouraged to do so by Coach Sullivan.

Dennis is survived by his wife, Karen White; his three siblings, Richard, Gregory, and Janet all of Marysville; three children Melanie (Brooklyn, NY) Stephen (St. Clair), and Sarah (Marysville); five grandchildren Brandon, Mikaela, Eamonn, Xander, and Adele; great granddaughter, Harper. Denny also has three step-children Frederick, Michael (Candy), and Bethanie George; 5 step-grandchildren, Allison, Kyle, Kasey, Larry, Amanda; and his cat, Jamison.

Denny is preceded in death by his parents and his sister Cheryl.

After having worked as an athletic trainer at Saginaw Arthur Hill High School, Denny first coached baseball (as well as football) at Newaygo High School in Newaygo, MI in 1970. During 35 years coaching baseball (as well as freshman and junior varsity football) at St. Clair High School, initially as the pitching coach under Richie Mallewitz and then Bill McElreath, from 2015-2021 Denny was the Head Coach of the varsity team. He also coached for St. Clair County Community College, St. Clair Little League, several travel teams, and most recently, this past fall, Marysville High School. Over the years, Dennis has coached just shy of 1,000 high school baseball games.

In 2011, with Denny as the pitching coach, St. Clair High School won the State Championship title, and in 2015, with Denny as Head Coach, the 13-year-old St. Clair All-Star team won the State Championship and advanced to the semifinals of the Little League regionals.

Coach was an absolute treat to know and play for. His almost radio smooth delivery when talking sounded like a story that you could hang on every word. He was just really fun to know and be around. Dennis White was easily one of the finest calming presences I've ever experienced in a coach. In fact there were few souls I've ever come across in team sports that were better at just that, than Denny White. All your stories in my heart are good ones coach, rest easy my friend. #55

I'll always remember coach's smile!! There never was a day tht he didn't wear it. He was a comic relief. I'll always remember him telling me tht I stronger then I think and that I can get thru all the ups and the downs of life. He also would tell me not to let things get to me or big bc it's those things tht can destroy a person. He also impacted my life just by being a person that I knew I could talk to and was safe to talk to as well. He was sooo much more then a sub to me. I always would see him in the hallway at SCHS there was never a day he wasn't there.bim so thankful tht I got to have a relationship with a great legend and an amazing caring, loving, kind, gentle hearted guy. I could have never imagined that I would have had a Grandpa as I always called him out of a sub. But boy am I ever so thankful that I did. He will never be forgotten. I'll tell my kiddos all about you. Now just sleep and rest peacefully coach and now how that your beyond missed and loved ❤️❤️ love you coach and cannot wait to see you one day behind those pearly white gates up there.

Denny White epitomized what a successful coach and teacher is through is his kindness and treatment of ALL players including those in the opposing dugout or opposite sideline. Every player was treated like they were all-stars. He fortified everyone around with the tools and mindset for success. Rest in Peace, Coach White.

Denny touched the lives of countless people including mine. I have very good memories of Denny in the SCHS hallways; as he was in the building on almost a daily basis substituting for one of us. Great morning conversations with Denny, Joe, Roger and myself... lots of kidding between these guys about 'the old guy' (in his presence of course, 😊). We all enjoyed having Denny around us, whether it be as friend, mentor, coach, or colleague, he impacted our lives and will remain forever in our hearts. God Bless You, Denny. Be at peace with the Lord. Michele Deluge

So sorry to learn of my old MHS classmate's death. He truly was one of the good guys. He had a successful career doing what he loved and I'm sure a great family man. My condolences to his family.

Denny was one of the groomsmen in my wedding in 1969. I happened to play against him in high school because I played football at St. Stephen's, the archrival of Marysville. We had a lot of fun at Central together, and worked together in the training room there. He was a wonderful friend! I will miss our memories together when I would return to the East side of the state for various reunions.
