To the families of Irene,Remembering a very nice friend and compassionate women, though her faith she persevered. Irene had a talent for baking and embroidering and was always happy to share. In a letter she had written to me she mentioned living in Armada across the street from my family the (Domagalski's) Thanks to her I know the name of the road they lived on at the time.Her notes were hand written which made them special. To Irene's family - Please accept my deepest sympathy in your loss. Irene was such a special lady. She is caring, compassionate, generous and kind. A lady filled with love for God and others. She was very proud of her polish heritage and hard working upbringing. She loves her family and was proud of each of them. Irene, may you shine in eternity like the summer sun. You're now enjoying the company of your family and friends who went before you and seeing Jesus face to face and your soul is dancing to the beautiful sounds of Heaven. I will truly miss you.
