SO SORRY FOR THE FAMILY LOSS.I met Ron in Mr. Craze 5th. grade (1961), when my family moved to St.Clair. I have great boyhood memories of spending overnight visits with he and his brothers at the old farm house when his Grandfather was still farming.Me being a city kid, came up with the idea we should try riding one of Grandpas cows. It didnt go over will, apparently it upsets the cow and she didnt want to give up her milk. We both got in trouble.Terry Richardson East Tawas

Grandpa Ron, I've known you since I was just a little kid and although we weren't related by blood I will never forget you. I remember you as always being a caring man and such a jokester...you could always make people laugh and bring a smile to their face. When I learned of your passing I was devastated, but I know that you are no longer suffering and are now in a better place where you can be at peace. A lot of hearts broke when you passed and a lot of tears fell but you are loved by so many and even though no one wanted to lose you we all understand it was your time. Condolences to the family. I will see you again someday and until then not a moment will go by that I don't think of you all the while knowing you are looking over us all until we can all be reunited in paradise. Love you grandpa....kimmy

We have a lot on happy memories of time spent with Ron, Rick and Dan during the summer when school was out. So many times we would talk about our cousins.
