Dear Gus, We will miss you at every function we will attend for the auxiliary. Loved your humor and your way of interacting with John. You always asked how I was doing or if I needed anything. You were always happy to see us; greeted us with your smile and a hug. Now you are reunited with your beloved Virginia. On to better things in a place where you can be young again, without pain and hurt, do what you loved best. We will miss you Gus....love you. John and Faith Zamborowski
