“ Uncle Chuck was a cool uncle. When ever I spent time at the farm he always kept us busy whether tending animals fixing fences cutting grass and driving tractors, cars, mini-bikes. I learned quite a lot from being around him and experiencing so many different things.Will never forget it! John and Lynn Erker

“ My favorite memory of Uncle Chuck is the time Denise and I were spending a week at the farm. He had the two of us mixing and pouring cement for a sidewalk. Such hard work! He also was a lover of dogs. I think he had just about every breed of dog known to mankind at one time or another. Will always remember him.

“ Uncle Chuck, owned a little West Highland White Terrier. He gave us little Windy in 1970 and she lived to be 18 years old. She was the greatest gift ever. Because he lived with Grandma and Grandpa we were able to enjoy and spend so much time with him. In the later years I was fortunate enough to see him occasionally on Saturdays at Lincoln Granite, where we would catch up on everything. I will truly miss him, he was a great uncle.

“ I am so thankful that Dave and I went to Smith Creek and spent a long time visiting him last summer. We did so much together in our childhood days. I will always remember doing the paper rte. with him we had lots of fun also jumping off the roof of the creamery in the alley behind our house. My mother never new about that. Also we were in the basement mixing ketchup and mustard My mother came down and we ran all the way upstairs of course Uncle Chuck was faster so I got hit all the way up with the fly swather. Fortunately that did not hurt that bad. He always loved to pinch my cheeks because my skin was so soft. Lots of memories I could go on forever but I will always cherish them. “ Uncle Chuck you will be missed. There are so many good memories of spending time with you. Today I told many about one of the exciting experiences that we shared together. It was the time that you asked me if I wanted to ride your white Honda 350cc motorcycle to Port Huron with you while you rode your gold wing. Heck, I can't think of any 16 year old without a motorcycle license that would turn that down. Thanks for believing in me and for just being a great uncle. Don't worry, my mom will never know . We love you Jerry and Eileen
