“ Terry - on behalf of Ray, Elizabeth and I, you have our sympathies for your loss. An obituary conveys so little about the entire tapestry of a life. But its clear that the kindness, generosity and friendly spirit we see in you is a reflection of your mother's personality. Losing your mother's physical presence is hard, but you can take comfort in where her spirit is now. Celebrate her life, not her loss. We imagine that is what she would want. Take care and we're thinking of you.

“ Terry,

I'm so sorry to hear about the loss of your Mother. At times like this all you can really do is hold tight to your memories for comfort, lean on your friends for strength, and always remember how much you are cared about.

Love,  
Sue Bohlinger and Zachary

“ Marci & Dave,

My heart and prayers go out to you and your family. I am so pleased that I met her recently at church. You know she was ready to go to our Heavenly Father and you must take comfort in that I will see you on Tuesday. Please call me if traveling relatives need a place to sleep as I do have a spare bedroom.

“ Grammy, miss you already! I will be home to be with the family that you so lovingly created and nurtured through the years. i wanted to share a fun memory for those you left behind and make them smile, so here goes...i remember Seb n i used to love when you babysat cause you let us eat cheerios with syrup and stay up late watching letterman! you were always inspirational to me because you seemed to juggle so many tasks without ever faltering. you made us a FAMILY and as i mature in life i realize how rare that really is. may angels guide you gently into heaven. eternal love,  
Bea
